SUMMARY OF THE REASONS FOR DECISION:

The video slick entitled *Elixir De Plaisir* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The video slick *Elixir De Plaisir* is a glossy colour publication which contains text in French, images of explicit sexual activity and close up depictions of genitalia. Taking into account the explicit sexual content, it is considered that the video slick *Elixir De Plaisir* would be likely to be injurious to the public good unless restricted to an adult audience. This classification has been determined to be the minimum level of restriction necessary to prevent the likelihood of injury to the public good. It is therefore considered a reasonable limitation on s14 of the New Zealand Bill of Rights Act 1990.
